

Attention Water Customers: Replace your old toilet with a new 1.28 gpf WaterSense® model and receive a \$50 rebate!

Visit www.epa.gov/WaterSense/products/toilets.html to learn more about qualifying models

Here's how to qualify to receive a \$50 rebate credit

1. Purchase a new High Efficiency Toilet *between March 17 and May 31, 2014*, which bears the WaterSense® label- **no exceptions**. The new toilet must be 1.28 gpf or less, and must be replacing an existing toilet in a single-family residence. **No new construction, please.** (Limit 2 per customer.)
2. Include a copy of the receipt with this application. Please provide WaterSense® documentation, such as the WaterSense® label or model number. A proof of purchase or piece of the box may be included, but is not necessary.
3. Bring your application, receipt, and WaterSense® verification to the billing office of your water purveyor. (See list of participating utilities below.)

Please submit application by June 30, 2014.

Old toilets must be disposed of; they may not be resold or reused. Visit www.kitsapgov.com/sw/recycle.asp to learn where to dispose of old toilets in Kitsap County.

This program is dependent upon funding and may terminate without prior notice.

"I certify that the information above is correct and accurate. I understand that my water utility makes no warranties or guarantees regarding any toilet purchased under this program or any promises of water savings or reductions on my water bill. I understand that my water utility is not responsible for any problems or damages to my property resulting from installation or use of the new toilet. I understand that if I do not purchase an eligible toilet model, the application for a rebate will be denied."
